1. This is reference made by the Central Government in exercise of powers under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 vide Government of India, Ministry of Labour & Employment, New Delhi vide its order No. L-31011/1/2012 – IR (B-II) dated 27.09.2012. The terms of reference given in the schedule are as follows :

“Whether the action of the management of Mumbai Port Trust in denying the financial upgradation to Shri V.P. Bedse, Machinists and others working under the Chief Mechanical Engineer’s Department of Mumbai Port Trust, is legal, just and proper ? What relief the workmen concerned are entitled to ?”

2. After the receipt of the reference, both the parties were served with the notices. They appeared through their respective representatives.

3. Second party Sangh filed statement of claim Ex.4. According to the second party Secretary, MbPT issued circular No.SECY/P/IGM-ACP-I/4947 dated 11.8.10 to all the Head of Depts. explaining the wages of implementation of modified ACP scheme and wage of settlement dt. 19.1.10. While giving details clarification / guidelines on para (7) (8) of para 5, it is stated as under.

“The Time-barred Upgradation Scheme etc., such as their available to skill categories will continue to the operational. As such employees covered by such Scheme will not be covered by the MACP Scheme excepting employees in whose case TD stages are not provided in the revised pay scale”.

(8.a) If an employee in the pay scale of 9400-22000 gets in regular promotion in the pay scale of Rs.10000-25700 on completion of 8 years of services and then continue in the source of pay scale for further 10 years without any promotion, then he would be eligible for 2nd financial upgradation under the MACP scheme in the pay scale of Rs.11000-29400 after completion of 18 years (8+10).

(8.b) In case he does not get any promotion thereafter, then he would get 3rd financial upgradation in the pay scale of Rs.12100-30800 on completion of further 10 years of service i.e. 28 years (8+10+10).

4. According to the Sangh, in view of that it has submitted letter Ref. No. BPTMS/CME-10/2011 dated 2.2.2011 along with application from concerned workmen Shri Bedse & Other employees to the Chairman, MbPT regarding delay in implementing the Modified ACP scheme for skilled employees working in Chief Mechanical Engineer’s dept. and requested him to grant the benefit of MACP scheme to these aggrieved skilled categories of workmen. He also brought to the notice of the Chairman that this being clause-38 of wage settlement dt. 19.1.10, not extending the benefits of MACP to the skilled workmen will lead to breach of settlement. Since no reply was received to the said letter, Sangh, the second party raised the industrial dispute with ALC [C] III vide letter dt. 4.5.11. Sangh pointed out in this letter that CME Dept. has not taken any action on the secretary’s circular dt. 11.8.10 and various applications submitted by Shri Bedse & others aggrieved skilled workmen requesting therein for grant of financial upgradation in accordance with clause 38 of wage settlement dt. 19.1.10. It is stated that CME dept. has refused to follow MbPT Chairman’s circular and also committed breach of settlement dt. 19.1.10 by way of not extending benefits of modified ACP to aggrieved workmen. The Labour Commissioner was requested to intervene into the matter and to prevail upon the management of MbPT to extend the benefits of financial upgradation to the aggrieved workmen Shri Bedse & others working under CME dept. The ALC issued notice dt. 14.6.11 and asked the MbPT management to submit comments. Chief Personnel & Industrial Relation Manager submitted written comments. Second party vide letter dt. 19.10.11 replied the letter of MbPT.

5. It is also the case of the second party that the management of MbPT was totally unjustified in refusing to extend the financial upgradation to Shri Bedse Machinist & others, 11 Artisans in accordance with circular dt. 11.8.10 and having not getting regular higher promotion in the hierarchy applicable to skilled artisans, the conciliation failed and hence the reference is made to this tribunal.

6. It is thus claim of the second party that Shri V.P. Bedse & others skilled artisans should be extended benefits of financial upgradation under MACP scheme applicable from 19.1.10 and to declare that the action of the management in denying the financial upgradation to the concerned workmen is illegal, unjust & improper.

7. First party resisted claim by filing written statement Ex.6 contending therein that the union has misrepresented the provisions & terms of settlement as well as ACP scheme. It is their case that the management of first party is expected to look into the exigency of administration while filling vacant post and while doing so it is also expected that the interest & promotional avenues of the existing employees are protected.

8. It is also the case of the first party that Shri V.P. Bedse & others have not been denied any financial upgradation as per clarification given by the Manager [SOM] in circular dt. 11.8.10. The time barred upgradation scheme etc. those available to skilled category will continue to be operational. As such the employees covered by such scheme will not be covered by MACP scheme extending the employees in whose cases the T.D. stages are not provided in revised pay scale. Perusal of the said circular dt. 11.8.10 will lead to conclusion that the employees in the skilled category will not be covered by MACP scheme excepting employees in whose cases the T.D. stages are not provided in the revised pay scale. In case of Shri V.P. Bedse & others the T.D. stages are provided in revised pay scale.

9. It is also the case of the first party that even there is no violation of clause 38 of the settlement dt. 19.1.10. As per clause 38 of the settlement financial upgradation under MACP scheme is to be granted by class III & IV employees

on completion of 10, 20 & 30 years and subject to existing conditions of ACP scheme. Shri V.P. Bedse who was appointed on 3.9.79 belong to skilled category of employees and got the benefit of transfer from segment 1 to 2 on 1.8.97, from segment 2 to 3 on 3.9.93 and from segment 3 to highly skilled category on 3.9.97. Transfer from one segment to other and highly skilled category is considered as promotion since the employees so transferred are entitled to and get pay fixation benefit as in case of promotion. Shri V.P. Bedse got such pay fixation benefits thrice which are considered as promotion. Hence there is no breach or violation of clause 38 of settlement dt. 19.1.10.

10. It is also the case of the first party that pay scale of Rs.4300-120-5260-TD-130-6170-TD-130-8120 with T.D. stages was introduced for the first time from 1.1.97. The elongated pay scale was punctuated by T.D. stages and on crossing T.D. stages skilled artisans were granted pay fixation benefits which are similar to segment transfer which is considered as promotion and so the employees in skilled categories were and / are not covered under the ACP scheme or the MACP scheme since they were entitled to pay fixation benefits similar to that of promotion in crossing T.D. stages and therefore management of the first party was totally justified in refusing to extend financial upgradation to Shri V.P. Bedse and other 11 skilled artisans in accordance with circular dt. 11.8.10. First party has thus sought the dismissal of the reference with costs.

11. Following issues are framed at Ex.7. I reproduce the issues along with my findings thereon for the reasons to follow:

Sr. No.	Issues	Findings
1.	Whether the action of the first party in denying the financial upgradation to the workman Shri V.P. Bedse, Machinists and others working under the Chief Mechanical Engineer's Department of Mumbai Port Trust is legal, just and proper ?	Yes
2.	If not, what relief the workmen are entitled to ?	No
3.	What order ?	As per final order

REASONS

Issue No.1.

12. At the outset, it may be stated that the second party remained absent and has not adduced any evidence in support of the claim. On the contrary first party has adduced evidence of Dorine Avan Lobo who is employed as Administrative Officer with the first party at Ex.10. His evidence has also gone unchallenged since the second party remained absent and has not cross examined him though he was subjected to cross examination.

13. The main issue raised by the second party union is that the first party has violated the terms of provisions of the ACP Scheme and MACP scheme while denying the financial upgradation to Shri V.P. Bedse and others. But if the terms and provisions of ACP Scheme and MACP schemes are properly read with the terms and provisions of clause 38 of the settlement dt. 19.1.10, it can be seen that Shri V.P. Bedse and others have not denied any financial upgradation.

14. I say so because clause 38 of wage settlement dt. 19.1.10 covers and provides that 3 financial upgradation shall be granted under MACP to class III & IV employees on completion of 10, 20 & 30 years of regular service provided that there is no regular promotion during the period of 10, 20 & 30 years respectively and subject to existing conditions of ACP. It also provides that in case of skilled artisans, transfer from one segment to another or crossing trade test stage is considered for promotion as during such segments, transfer benefits of fixation of pay in higher promotional pay scale is given. Since as per the evidence of the management, Shri V.P. Bedse, Machinists and Anil Parab have been beneficiary of such fixation in their career, they are not entitled for any further upgradation under MACP.

15. Even as per clarification given by the Manager in circular dt. 11.8.10 the employees covered by such scheme will not be covered un MACP scheme excepting employees in whose case T.D. stages are not provided in the revised pay scale. Even it is not made clear by the circular that the employees in skilled categories will not be covered by MACP scheme excepting those in whose case T.D. stages are not provided in revised pay scale.

16. As per evidence of the first party, Shri V.P. Bedse was appointed on 3.9.79. He belongs to skilled category of employees. He got the benefit of transfer from first segment to second segment in 1987, from second to third segment in 1993 and from third segment to highly skilled category in 1997. The highly skilled category is considered as promotion. In such circumstances he got the pay fixation benefits thrice and therefore there is no breach or violation of clause 38 of settlement dt. 19.1.10. There is no evidence as to how the other concerned employees are entitled to financial upgradation since their names and details have not been given by the second party union. Even in respect of

the contention that the pay scale of Rs. 4300-120-5260-TD-130-6170-TD-130-8120 with T.D. stages was not introduced and instead 3 segment scale one elongated pay scale was introduced for skilled category. It can be said that the elongated pay scale was punctuated by T.D. stages and on crossing T.D. stages, skilled artisans were granted pay fixation benefits which are similar to segment transfer considered as promotion.

17. In view of these facts, it can be seen that the first party was justified in refusing to extend the financial upgradation to the concerned workmen working under the Chief Mechanical Engineer's Department in MbPT. Issue No.1 is therefore answered in affirmatively.

Issue No. 2 & 3.

18. In view of my findings to Issue No.1, workmen are not entitled to any relief. Hence the order.

ORDER

Reference is rejected with no order as to costs.

AWARD

The award is directed against the reference made by the Government of India in the Ministry of Labour vide its letter No. L-12012/45/2012 – IR(B-II), date 12.12.2012 in exercising its authority conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act (herein after referred as “The Act”) out of an alleged industrial dispute between the management of UCO Bank, Jaleswar Branch and the 2nd party and the term of reference is as follow:-

Whether the action of the Management in UCO Bank Jaleswar Branch in terminating the services of Suresh Chandra Jena, with effect from 21.8.2010 without complying the provisions of Industrial Disputes Act, 1947, is legal and justified? What relief Shri Jena is entitled to?

2. Briefly stated, the case of the individual workman as emerges from his statement of claim is that he was engaged as a daily wage workman in the Jaleswar Branch of the Management Bank with effect from 5.1.2009 to perform the duty of a Peon and other allied works. He worked continuously and uninterruptedly for more than 240 days in a calendar year till he was refused employment with effect from 20.3.2010. According to him he is a disabled person having lost more than 40% of his vision. The Management-Bank was paying him Rs. 70/- per day for his such engagement and the payment was made on weekly basis through voucher. He was not given any notice pay or retrenchment compensation when he was refused employment on 21.3.2010 and as such his disengagement without compliance of provisions of Section 25-F amounted an illegal retrenchment. In the meanwhile he is over-aged for his engagement in Government and semi Government organization. In the above backdrops he should be reinstated with all back wages and regularized in the post of Peon by the Management-Bank.

3. In its written statement the Management-Bank has refuted all the pleadings of the disputant workman taking a stand that it has its own recruitment rules and guidelines for any appointment against sanctioned post and usually recruitment test is being conducted for appointments in its offices and branches. Therefore, question does not arise on the part of the Branch Manager of Jaleswar to give appointment to the disputant to work as a Peon. The disputant was given to perform certain job on contract basis on payment of daily wage keeping in view the need of the Branch. His engagement, if any, was purely on temporary and on daily wage basis to perform the contract job and as such there was no “employer and employee” relationship between the parties. As the disputant is not a “workman” as defined under the Act, the reference is not maintainable in the eye of law. Having been engaged to perform certain contract job the disputant was not entitled to receive notice pay and compensation as provided under section 25-F of the Act and as such he is not entitled to any relief under the provisions of the Act.

4. On the aforesaid pleadings of the parties the following issues have been settled for a just and proper adjudication of the dispute between the parties.

ISSUES

1. Whether the reference is maintainable under the I.D. Act?
2. Whether the action of the management of UCO Bank, Jaleswar Branch in terminating the services of Shri Suresh Chandra Jena w.e.f. 21.08.2010 without complying with the provisions of Industrial Disputes Act, 1947, is legal and justified?
3. What relief Shri Jena is entitled to?

5. To substantiate his claim the applicant has examined himself as W.W.-1 and exhibited the Xerox copies of the Bank deposit slips by which his daily wages were credited to his S.B. Account, whereas the Management has examined its Branch Manager, Ashish Kumar Patnaik to refute the allegations raised by the disputant.

FINDINGS

6. For the sake of convenience all the issues are taken altogether for consideration.

As it appears from the pleadings and the evidence of the parties that there is no serious dispute to the fact that an amount of Rs. 70/- per day was paid by the Bank to the disputant for his engagement in the branch. It is the pleading and evidence of the Management-Bank that such engagement was to perform certain job on contract basis whereas it is the evidence of disputant that he was engaged on temporary and daily wage basis. Indisputedly the Management-Bank being a nationalized Bank has its own rules and regulations for appointment of its staff. It is

admitted by the disputant workman that there was no notification or invitation of application by the branch and no appointment letter was issued to him. However, the testimony of the disputant being supported by the Bank deposit slips and more particularly in absence of any agreement or paper to establish that the disputant was engaged to do certain job on contract basis, leads to an inference that the disputant was engaged temporarily on daily wage basis to render certain service to the branch of the Management-Bank at Jaleswar. As per the definition of "workman" under the Act a person employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical, or supervisor work for hire or reward, whether the terms of employment be expressed or implied and for the purpose of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute. Further, the Hon'ble Apex Court in the case between Devendra Singh –versus- Municipal Council Sanaur, 2011 AIR SCW 3455 have held that the source of employment, the method of recruitment, the terms and conditions of employment/contract of service, the quantum of wages/pay and the mode of payment are not at all relevant for deciding whether or not a person is a workman within the meaning of Section 2(s) of the Act. The definition of workman does not make any distinction between full time and part time employee or a person appointed on contract basis. On a plain reading of the provisions of Section 2(s) of the Act it can be safely inferred that there is nothing in the Act to suggest that a person employed on regular basis is a workman and the person employed on temporary/part-time or contract basis for a fixed wages or a casual employee is not a workman. Be that as it may, the pleading and argument of the Management-Bank with regard to the maintainability of the reference on a contention that the disputant is not a workman has no substantial force. Similarly having failed to place any document to establish that the applicant was given some contract job, it is to be accepted that the disputant was employed as a temporary/casual daily wager. Further-more, the oral testimony of the disputant not being demolished in the cross examination in respect to his engagement as a daily wager and such statement being found support by the deposit slips I am constrained to hold that the disputant is a workman of the Management-Bank and having been engaged continuously and uninterruptedly for a period of more than 240 days preceding to his alleged disengagement on 21.3.2010 and there being no compliance of Section 25-F the disengagement of the disputant on 21.3.2010 was retrenchment in violation of the provisions of Section 25-F of the I.D. Act.

7. Now the question arises as to what relief the disputant is entitled to. In the recent past it is well settled that reinstatement with back wages is not automatic and may be wholly in-appropriate in a given fact situation even though the termination of an employee is in contravention to the prescribed procedure. As per the settled principle for the relief to which the workman is entitled to, it is necessary to take into consideration host of factors, such as, manner and method of appointment, nature of employment etc. Similarly it is well settled by the Hon'ble Apex Court that the Industrial Tribunal derives its authorities and jurisdiction from the terms of the reference made to it and it has to exercise its jurisdiction with the four corners of such reference. Be that as it may, the Tribunal is required to confine its adjudication to the specific points of dispute which has been referred to it by the appropriate Government for adjudication and matter incidental thereto. In the instant case the disputant workman has made a prayer to direct the Management-Bank to reinstate him and to make him permanent in view of his disengagement/retrenchment was illegal and unjustified. But, the term of reference is specific and the Tribunal is required to adjudicate whether the action of the Management in terminating the service of the workman without complying the provisions of the I.D. Act is legal and justified. In that view of the matters question does not arise to consider the claim of regularization put-forth by the disputant workman. That apart, it cannot be over-sighted that his appointment/engagement was not against any sanctioned post and his employment was not in accordance with the recruitment rules of the Management-Bank. It is evident from the evidence and pleadings of the 2nd party-workman that he was engaged only for the period from 5.1.2009 to 20.3.2010. He was engaged on daily wage basis to perform certain job and his appointment was purely temporary. The only consideration in his favour is that he was not given any notice or notice pay as well compensation before refusal of employment/disengagement.

Having regard to the above facts and circumstances of the present case and keeping in view the settled principles I feel it just and proper to direct the Management-Bank to pay a compensation of Rs. 40,000/- to the disputant workman within a period of two months from the date of publication of award failing which the disputant is entitled to receive the compensation amount with an interest of 8% per annum till the payment of compensation from the date of award.

9. Accordingly the reference is answered.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-12011/64/2003-IR(B-II) dated 31.07.2003 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Bank of Baroda in terminating the services of the workmen Shri Ishwarbhai Baburao chitte, Shri Tejaskumar Premabhai Patel and Shri Ashok Waghjibhai Gajjar without complying the provisions of Industrial Disputes Act, 1947 is legal and justified? If not, what relief are these workmen entitled to?”

1. The reference dates back to 31.07.2003. In response to the notice issued to the parties, the second party union Gujarat Bank Workers' Union on behalf of the workmen namely Ishwarbhai Baburao chitte, Tejaskumar Premabhai Patel and Ashok Waghjibhai Gajjar, submitted the statement of claim Ex. 3 alleging that despite various awards and settlements and there being no statutory and well defined or statutory or force norms of recruitment in the bank, concerned different branches of the first party Bank of Baroda, without any directives or instructions from the higher authority, appointed various workmen in sub-ordinate cadre, the aforesaid workmen whose details as stated above were also appointed in the sub-ordinate cadre. These workmen continuously worked for number of years. The management was not having any grievances or complaint against their integrity or efficiency but the first party Bank of Baroda terminated their services all of a sudden despite the fact that these workmen had been working ranging from 1100 to almost 2241 days for number of years and they also worked for more than 240 days in number of calendar years. It is noteworthy that the workmen similarly appointed are still working. Their termination was neither legal nor proper assuming that the concerned workmen were entitled for regularisation. Thus they have prayed for reinstatement with back wages as they have not got any gainful employment during the intervening period.

2. The first party Bank of Baroda submitted the notarised written statement Ex. 5 denying the averments made in the statement of claim. They further submitted that no appointed letter was issued to the concerned workmen. There was no vacancy against which any appointment could be made. These workmen were daily wagers and were paid daily wages by way of vouchers without any entitlement of claiming permanent employment or benefits. The first party bank is governed by recruitment rules and recruitment is governed by inviting application through Employment Exchange Act. Under the said act, persons shall be appointed only after notifying vacancies through employment exchange. The second party has not produced any material in support of their claim and contentions. The second party has admitted that these workmen were not permanently appointed or engaged. Appointment in the bank is always governed by certain statutory and guidelines notified by the Government of India and under the said guidelines, sub-staff cadre can only be appointed inviting application through employment exchange. A person who is appointed purely on casual basis without following due procedure, does not have any right to be appointed permanently. The second party union has not alleged that there was any sanctioned vacancy in any concerned branch. These workmen who were engaged as daily wagers without sanctioned vacancies, does not have any right of relief as per the law laid down by the apex court. No person similarly appointed is still working as alleged by the second party. The claim regarding reinstatement is without any substance and in the absence of sanctioned vacancies, amounts to raise a demand is violative of Article 14 of the Constitution of India as the first party bank is a state as defined under Article 12 of the Constitution of India. They never applied for job in the bank, hence question of recruiting them or permitting regularisation of their services, does not arise. The second party has not produced any proof having applied for any post in the bank. The bank does not have any sanctioned vacancies and to meet out the exigency, occasionally daily wagers are engaged to meet such exigencies. Thus the prayers sought in the statement of claim are liable to be rejected.

3. On the basis of the pleadings, the following issues arise:

- I. Whether the action of the management of Bank of Baroda in terminating the services of the workmen Shri Ishwarbhai Baburao chitte, Shri Tejaskumar Premabhai Patel and Shri Ashok Waghjibhai Gajjar without complying the provisions of Industrial Disputes Act, 1947 is legal and justified?
- II. To what relief, if any, are these workmen entitled to?

4. Issue no. I and II: Both these issues are interrelated and are decided together. The burden to prove these issues was lying on the second party union. The second party union submitted the affidavit of 3 workmen vide Ex. 10 to 12. All these workmen in their affidavit have stated that they raised their disputes through union. They joined their services as per given in the list of details of all the workmen mentioned earlier in the award and reiterated the averments made in the statement of claim. They have not said anything contrary in their cross-examination. They have also stated that they were not given any notice or notice pay and junior employees were permitted to continue in the service of the first party.

5. The second party submitted the list of documents regarding details of working days of all 3 workmen. The second party vide Ex. 13 also filed the copy of the order dated 19.12.2013 passed by the Presiding Officer, CGIT -2, Mumbai under Section 89 of Civil Procedure Code wherein the Presiding Officer suggested to keep the matter to be adjudicated in Lok Adalat scheduled to be held on 31.01.2014.

6. The second party union filed the written argument vide Ex. 18 wherein the union stated the dates of appointments, branches of the bank and dates of termination mentioned in all the affidavits being produced as oral evidence. They had worked with the bank for 1100 to almost 2241 days for number of years. The first party terminated the services of the second party in violation of Section 25 (F) (FF)(G)(N) of the Industrial Dispute Act. Along with the arguments second party also submitted by-partite settlement and stated that as per the settlement temporary employment of an employee up to 90 days, the bank is required to make an alternate arrangement within 90 days. The bank failed to do so. The concerned workmen have produced the actual working days in deposition and statement of

claims. Concerned workmen are not gainfully employed. The Bank has not produced any evidence in rebuttal. The union prayed for reinstatement and full back wages at par with permanent employees. In support of their case, the union relied on the judgement of apex Court in Tamilnadu, Terminated full time temporary LIC employees association V/s LIC of India and others, Civil Appeal no. 6950 of 2009 and prayed for reinstatement with continuity and absorption on permanent posts by regularization their services with consequential benefits and with retirement benefits.

From the tri-partite settlement dated 20.02.2008, it is transpired from the annexure of the settlement that the benefits of the settlement be given to the temporary peons, sweeper who had worked for 90 or more days between 01.01.1982 and 31.12.1989 and are still working. From the deposition it is crystal clear that they were terminated in middle of the 2002 meaning thereby they have not been still working on the date of settlement i.e. 20.02.2008, hence not entitled to get the benefits of the tri-partite settlement.

So far as the judgement of Tamilnadu Terminated full time temporary LIC employees association V/s LIC of India and others is concerned, the said judgement is not applicable to the case of the second party because the very dispute referred in that case is for absorption of badly, and temporary employees. The terms of reference of the said judgement is reproduced at page 4 of the apex court judgement. The present case is for termination; hence the said judgement is not applicable to the present case and not helpful to the second party.

Lastly, the second party has produced the photocopy of newspaper, on plain reading of the same, it is transpired that in pursuance to the advertisement of appointment of sweeper cum peon, the candidature of 9 Lacs received by the bank having the degree of M. Tech, MBA, BCA etc.

Admittedly the second party were appointed on daily rated without following any due process of law, therefore, as per the settled legal position, not entitled to get reinstatement.

The tribunal cannot travel beyond the terms of the reference. Terms of reference is only for termination whereas in arguments, it is prayed for reinstatement with continuity, absorption and consequential benefits with retiral benefits which cannot be permitted. Terms of reference does not reflect the date of termination and joining.

7. Considering the evidences and arguments of both the parties and also looking dates of joining and termination of dates of all the workmen, it appears that the workmen concerning this reference either might have been retired or likely to be retired in near future, therefore, looking into the long span of their work in the bank and also the passing of the period of the termination, it would not be advisable to order reinstatement of their services as it would encourage multiplicity of litigation due to the reason that separate orders would be passed to each and every workmen depending on their period of service and their age. It is a settled legal position on the basis of the recent judgement of the apex court that in such cases where the daily wagers have served for a long time in case of termination of their services, would be awarded lump-sum compensation. Admittedly, all the workmen were daily wagers, therefore, no back wages can be granted on the principle of "no work no pay". Thus these workmen being the daily wagers and are being not appointed on the basis of due process of recruitment, therefore, order of reinstatement cannot be made.

8. In the light of the aforesaid discussions, I come to the conclusion that each of the workmen named Ishwarbhai Baburao chitte, Tejaskumar Premabhai Patel and Ashok Waghjibhai Gajjar shall be paid Rupees Fifty Thousand (Rs. 50000/-) as lump-sum compensation the First Party Bank within the 60 days by from the publication of this award. Thus these issues are decided accordingly.

9. The award is passed accordingly.

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-12011/116/2003-IR(B-II) dated 15.09.2003 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Bank of Baroda through its Officers in terminating the services of Shri N.T. Dhimar without complying the provisions of Industrial Disputes Act, 1947 is legal, proper and justified? If not, to what relief the concerned workman Shri N.T. Dhimar is entitled to and what other directions are necessary in the matter?”

1. The reference dates back to 15.09.2003. In response to the notice issued to the parties, the second party union Gujarat Bank Workers' Union on behalf of workman N.T. Dhimar submitted the statement of claim Ex. 3 alleging that despite various awards and settlements and there being no statutory and well defined or statutory or force norms of recruitment in the bank, concerned different branches of the first party Bank of Baroda, without any directives or instructions from the higher authority, appointed various workmen in sub-ordinate cadre, the aforesaid workman named N.T. He had worked with the bank for 1579 days. The first party terminated the services of the second party in violation of Section 25 (F) (FF)(G)(N) of the Industrial Dispute Act. Along with the arguments second party also submitted by-partite settlement and stated that as per the settlement temporary employment of an employee up to 90 days, the bank is required to make an alternate arrangement within 90 days. The bank failed to do so. The concerned workman has produced the actual working days in deposition and statement of claims. Concerned workman is not gainfully employed. The Bank has not produced any evidence in rebuttal. The union prayed for reinstatement and full back wages at par with permanent employees. In support of his case, the union relied on the judgement of apex Court in Tamilnadu, Terminated full time temporary LIC employees association V/s LIC of India and others, Civil Appeal no. 6950 of 2009 and prayed for reinstatement with continuity and absorption on permanent posts by regularization their services with consequential benefits and with retirement benefits.

From the tri-partite settlement dated 20.02.2008, it is transpired from the annexures of the settlement that the benefits of the settlement be given to the temporary peons, sweeper who had worked for 90 or more days between 01.01.1982 and 31.12.1989 and are still working. From the deposition it is crystal clear that they were terminated in middle of the 2002 meaning thereby they have not been still working on the date of settlement i.e. 20.02.2008, hence not entitled to get the benefits of the tri-partite settlement.

So far as the judgement of Tamilnadu Terminated full time temporary LIC employees association V/s LIC of India and others is concerned, the said judgement is not applicable to the case of the second party because the very dispute referred in that case is for absorption of badly, and temporary employees. The terms of reference of the said judgement is reproduced at page 4 of the apex court judgement. The present case is for termination; hence the said judgement is not applicable to the present case and not helpful to the second party.

Lastly, the second party has produced the photocopy of newspaper, on plain reading of the same, it is transpired that in pursuance to the advertisement of appointment of sweeper cum peon, the candidature of 9 Lacs received by the bank having the degree of M. Tech, MBA, BCA etc.

Admittedly the second party was appointed on daily rated without following any due process of law, therefore, as per the settled legal position, not entitled to get reinstatement.

The tribunal cannot travel beyond the terms of the reference. Terms of reference is only for termination whereas in arguments, it is prayed for reinstatement with continuity, absorption and consequential benefits with retiral benefits which cannot be permitted. Terms of reference does not reflect the date of termination and joining.

6. Considering the evidences and arguments of both the parties and also looking date of joining and date of termination of the workman, it appears that the workman concerning this reference, joined on 30.05.1995, might be more than 21 years of age at the time of joining and might have now attained the age of 45 years, therefore, looking into the long span of their work in the bank and also the passing of the period of the termination, it would not be advisable to order reinstatement of his services as it would encourage multiplicity of litigation due to the reason that separate orders would be passed to other similarly situations depending on their period of service and their age. It is a settled legal position on the basis of the recent judgement of the apex court that in such cases where the daily wagers have served for a long time in case of termination of their services, would be awarded lump-sum compensation. Admittedly, the workman was daily wagers, therefore, no back wages can be granted on the principle of "no work no pay". Thus the workman being the daily wagers and is being not appointed on the basis of due process of recruitment, therefore, order of reinstatement cannot be made.

7. In the light of the aforesaid discussions, I come to the conclusion that the second party workman Nitinkumar T. Dhimar shall be paid Rupees Fifty Thousand (Rs. 50000/-) as lump-sum compensation by the First Party Bank within the 60 days from the publication of this award. Thus both issues are decided accordingly.

8. The award is passed accordingly.

Submitted the statement of claim Ex. 3 alleging that despite various awards and settlements and there being no statutory and well defined or statutory or force norms of recruitment in the bank, concerned different branches of the first party Bank of Baroda, without any directives or instructions from the higher authority, appointed various workmen in sub-ordinate cadre, the aforesaid workmen whose details as stated above were also appointed in the sub-ordinate cadre. These workmen continuously worked for number of years ranging from 3 to 8 years. The management was not having any grievances or complaint against their integrity or efficiency but the first party Bank of Baroda terminated their services all of a sudden despite the fact that these workmen had been working ranging from 700 to 3260 days for number of years and they also worked for more than 240 days in number of calendar years. It is noteworthy that the workmen similarly appointed are still working. Their termination was neither legal nor proper assuming that the concerned workmen were entitled for regularisation. Thus they have prayed for reinstatement with back wages as they have not got any gainful employment during the intervening period.

2. The first party Bank of Baroda submitted the notarised written statement Ex. 4 denying the averments made in the statement of claim. They further submitted that no appointed letter was issued to the concerned workmen. There was no vacancy against which any appointment could be made. These workmen were daily wagers and were paid daily wages by way of vouchers without any entitlement of claiming permanent employment of benefits. The first party bank is governed by recruitment rules and recruitment is governed by inviting application through Employment Exchange Act. Under the said act, persons shall be appointed only after notifying vacancies through employment exchange. The second party has not produced any material in support of their claim and contentions. The second party has admitted that these workmen were not permanently appointed or engaged. Appointment in the bank is always governed by certain statutory and guidelines notified by the Government of India and under the said guidelines, sub-staff cadre can only be appointed inviting application through employment exchange. A person who is appointed purely on casual basis without following due procedure, does not have any right to be appointed permanently. The second party union has not alleged that there was any sanctioned vacancy in any concerned branch. These workmen who were engaged as daily wagers without sanctioned vacancies, does not have any right of relief as per the law laid down by the apex court. No person similarly appointed is still working as alleged by the second party. The claim regarding reinstatement is without any substance and in the absence of sanctioned vacancies, amounts to raise a demand is violative of Article 14 of the Constitution of India as the first party bank is a state as defined under Article 12 of the Constitution of India. They never applied for job in the bank, hence question of recruiting them or permitting regularisation of their services, does not arise. The second party has not produced any proof having applied for any post in the bank. The bank does not have any sanctioned vacancies and to meet out the exigency, occasionally daily wagers were engaged to meet such exigencies. Thus the prayers sought in the statement of claim are liable to be rejected.

3. On the basis of the pleadings, the following issues arise:

- I. Whether the action of the management of Bank of Baroda through the Assistant General Manager, Regional Office, Surat Region, Surat and another in terminating the services of Shri Anil D. Ahir and 52 others is legal, proper and justified?
- II. To what relief, if any, the concerned workmen Shri Anil D. Ahir and 52 others are entitled to and from which date and what other directions are necessary in the matter?

4. **Issue no. I and II:** Both these issues are interrelated and are decided together. The burden to prove these issues was lying on the second party union. The second party union submitted the affidavit of 51 workmen vide Ex. 18 to 68. All these workmen in their affidavit have stated that they raised their disputes through union. They joined their services as per given in the list of details of all the workmen mentioned earlier in the award and reiterated the averments made in the statement of claim. They have not said anything contrary in their cross-examination. They have also stated that they were not given any notice or notice pay and junior employees were permitted to continue in the service of the first party.
5. The second party vide Ex. 10 filed a list of employees with all details. They have also filed the copy of the order dated 19.12.2013 Ex. 74/1 passed by the Presiding Officer, CGIT -2, Mumbai under Section 89 of Civil Procedure Code wherein the Presiding Officer suggested to keep the matter to be adjudicated in Lok Adalat scheduled to be held on 31.01.2014.
6. The first party bank vide Ex. 13 submitted its circular order regarding recruitment and absorption of temporary employees of Public Sector Bank issued by Department of Economic Affairs (Banking Division), Government of India.
7. The second party union filed the written argument vide Ex. 78 wherein the union stated the dates of appointments, branches of the bank and dates of termination mentioned in all the affidavits being produced as oral evidence. They had worked with the bank for 7 to 8 years. The first party terminated the services of the second party in violation of Section 25 (F) (FF)(G)(N) of the Industrial Dispute Act. Along with the arguments second party also submitted by-partite settlement and stated that as per the settlement temporary employment of an employee up to 90 days, the bank is required to make an alternate arrangement within 90 days. The bank failed to do so. The concerned workmen have produced the actual working days in deposition and statement of claims. Concerned workmen are not gainfully employed. The Bank has not produced any evidence in rebuttal. The union prayed for reinstatement and full back wages at par with permanent employees. In support of their case, the union relied on the judgement of apex Court in Tamilnadu, Terminated full time temporary LIC employees association V/s LIC of India and others, Civil Appeal no. 6950 of 2009 and prayed for reinstatement with continuity and absorption on permanent posts by regularization their services with consequential benefits and with retirement benefits.

From the tri-partite settlement dated 20.02.2008, it is transpired from the annexures of the settlement that the benefits of the settlement be given to the temporary peons, sweeper who had worked for 90 or more days between 01.01.1982 and 31.12.1989 and are still working. Similarly the period from 01.01.1990 to 31.12.1990 and still working. From the deposition it is crystal clear that they were terminated in middle of the 2002 meaning thereby they have not been still working on the date of settlement i.e. 20.02.2008, hence not entitled to get the benefits of the tri-partite settlement.

So far as the judgement of Tamilnadu Terminated full time temporary LIC employees association V/s LIC of India and others is concerned, the said judgement is not applicable to the case of the second party because the very dispute referred in that case is for absorption of badly, and temporary employees. The terms of reference of the said judgement is reproduced at page 4 of the apex court judgement. The present case is for termination; hence the said judgement is not applicable to the present case and not helpful to the second party.

Lastly, the second party has produced the photocopy of newspaper, on plain reading of the same, it is transpired that in pursuance to the advertisement of appointment of sweeper cum peon, the candidature of 9 Lacs received by the bank having the degree of M. Tech, MBA, BCA etc. Admittedly the second party were appointed on daily rated without following any due process of law, therefore, as per the settled legal position, not entitled to get reinstatement.

As per the terms of reference, the Hon'ble Court has to decide the termination of 53 workmen is legal and proper. It is transpired that at the time referring the dispute, the ministry has not sent the list of so called workmen those services were illegally terminated as alleged.

The tribunal cannot travel beyond the terms of the reference. Terms of reference is only for termination whereas in arguments, it is prayed for reinstatement with continuity, absorption and consequential benefits

with retiral benefits which cannot be permitted. Terms of reference does not reflect the date of termination and joining.

Out of 53 workmen, only 51 workmen have filed deposition on affidavit as examination in chief, whereas two workmen namely Jayesh Goalbhai Jadav and Paresh Champakbhai Patel have expired on 06.08.2014 and 09.10.2011 respectively. The heirs of the deceased workmen have filed the application for bringing heirs on record vide Ex. 70 and 71 and the then Presiding Officer allowed that applications on 12.12.2012 but yet legal heirs were not substituted in the cause title. None of the legal heirs of the deceased given any affidavit in token of oral evidence nor adopted the deposition given by the other workmen nor provided the date of joining and termination, hence reference qua aforesaid two workmen is to be rejected for want of prosecution.

8. Considering the evidences and arguments of both the parties and also looking dates of joining and termination of dates of all the workmen, it appears that majority of the workmen concerning this reference either might have been retired or likely to be retired in near future, therefore, looking into the long span of their work in the bank and also the passing of the period of the termination, it would not be advisable to order reinstatement of their services as it would encourage multiplicity of litigation due to the reason that separate orders would be passed to each and every workmen depending on their period of service and their age. It is a settled legal position on the basis of the recent judgement of the apex court that in such cases where the daily wagers have served for a long time in case of termination of their services, would be awarded lump-sum compensation. Admittedly, all the workmen were daily wagers, therefore, no back wages can be granted on the principle of “no work no pay”. Thus these workmen being the daily wagers and are being not appointed on the basis of due process of recruitment, therefore, order of reinstatement cannot be made.
9. In the light of the aforesaid discussions, I come to the conclusion that each of the workmen (including deceased workmen through their legal heirs) shall be paid Rupees Fifty Thousand (Rs. 50000/-) as lump-sum compensation by the First Party Bank within the 60 days from the publication of this award. Thus these issues are decided accordingly.
10. The award is passed accordingly.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-37011/2/2007–IR(B-II) dated 07.12.2007 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the Chairman, Kandla Port Trust, P.O. Box No. 50, Gandhidham, Kutch in introducing the New Pension Scheme to their workmen S/Shri Nilesh Sachde, Umesh Dave, Ashok Bhatia, Smt. Darshana Joshi, Mahesh Makhijani and Shri Ratilal Choudhary is legal and justified? If not, what relief the workmen concerned are entitled to?”

1. The reference dates back to 07.12.2007. After receiving the notice, the second party submitted the statement of claim Ex. 10 alleging that the employees detailed in the schedule of reference Ex. 1 are the workmen in the first party Kandla Port Trust and also the members of the second party union named Transport and Dock Workers' Union which raised the industrial dispute before the tribunal for covering under GPF regulations applicable to the Kandla Port Trust employees and new pension scheme cannot be applicable in case of 6 employees named Nilesh Sachde, Umesh Dave, Ashok Bhatia, Smt. Darshana Joshi, Mahesh Makhijani and Ratilal Choudhary. They have been working in the Engineering Department in the category of Sub-Engineer (Civil) in Kandla Port Trust w.e.f. 30.08.1998 on ad-hoc basis and were regularised in the post of Sub-Engineer by order of the Chief Engineer, Kandla Port Trust w.e.f. 10.03.2004. Their service conditions were governed, as per the conditions of their appointment letter, by Kandla Port Employees Regulations 1964, therefore, they were also entitled to be governed by GPF regulations and pensionary benefits as applicable to Kandla Port Trust Employees from the date of their initial appointment as GPF regulations were part of Kandla Port Employees Regulations 1964. It is further alleged that the Board of Trustee of Kandla Port Trust in its meeting in December 2004, resolved that employees who are appointed on or after 01.01.2004 will be governed by New Pension Scheme as applicable to Central Government Employees. The said scheme cannot have retrospective effect as it will be termed as change in service conditions. The union made a protest before the Kandla Port Trust management with respect to the retrospective effect but to no result. Hence the union raised the dispute in the form of this reference.
2. The first party The Chairman, Kandla Port Trust, Post Box No. 50, Gandhidham, Kutch, submitted the vakalatpatra Ex. 9 of Shri K.V. Gadhia Associates after receiving a fresh notice Ex. 8 on 10.03.2011 but the first party did not prefer to submit the reply/written statement. Therefore, on 11.07.2016, the reference was ordered to proceed ex-parte against the first party Kandla Port Trust and the reference was fixed for ex-parte evidence/hearing.

3. The second party submitted his affidavit Ex. 12 of Ashok Jathanand Bhatia, one of the effected employees, affidavit Ex. 20 of Umesh, affidavit Ex. 21 of Mahesh, Ex. 22 of Nilesh and Ex. 23 of Darshana, reiterating the averments made in the statement of claim. All these employees in their affidavit have stated that they were appointed prior to 01.01.2004 when the New Pension Scheme came into effect.
4. The second party submitted the judgement of Punjab and Haryana High Court in Jasvinder Singh V/s State of Punjab & Others in CWP No. 5532 of 2015, in which the Hon'ble court has observed as under:
 "I have heard learned counsel for the parties and have perused the record of the case. The short question for consideration is whether the petitioner would be entitled to the benefits of the old Pension Scheme or the one introduced in the year 2004.

In Harbans Lal V/s State of Punjab CWP No 2371 of 2010 decided on 31.8.2010, the petitioner who had been appointed as a daily 3 to 6 wage prayed for issuance of a writ of mandamus for re-fixation of the date of his regular appointment by counting daily wage service towards qualifying service for pension and that he may be permitted to continue with the GPF Scheme and entitled to receive pensionary benefits as applicable to the employees recruited in the Punjab Government Service prior to 01.01.2004, the Division Bench allowed the writ petition while holding:-

"From the above discussion, we have come to the conclusion that the entire daily wage service of the petitioner from 1988 till the date of his regularization is to be counted as qualifying service for the purpose of pension. He will be deemed to be in govt. service prior to 1.1.2004. The new Re-structured Defined Contribution Pension Scheme (Annexure P-1) has been introduced for the new entrants in the Punjab Government Service w.e.f. 01.01.2004, will not be applicable to the petitioner. The amendment made vide Annexure P-2 amending the Punjab Civil Services Rules, cannot be further amended by issuing clarification /instructions dated 30.5.2008 (Annexure P-3). The petitioner will continue to be governed by the GPF Scheme and is held entitled to receive pensionary benefits as applicable to the employees recruited in the Punjab Govt. Services prior to 1.1.2004."

In Kashmiri Lal V/s State of Punjab (supra) petitioner was one of the persons who had responded to the advertisement for the post of Head Masters and they were aggrieved about the Clause 15 of the Order dated 1.12.2006 which provided that they would be governed by the new contributory pension scheme. A statement was made on the instructions of D.P.I. (SE), Punjab, Mohali that all the petitioners will be governed through the Old Pension Scheme only and Clause 15 would not be made applicable against them."

The same observation has been made by the Punjab and Haryana High Court in case of Som Nath V/s State of Punjab and Others in CWP No. 1432 of 2012.

5. The Orissa High Court in case of Shri Anand Das and 7 others V/s State of Orissa and others along with group of matters being W.P. (C) No. 15433 & 15856 of 2012 and W.P. (C) No. 1471 of 2013, has observed as under:

"9. On analyzing the above facts, it is clear that by the dates, when the petitioners were appointed vide Office Order dated 16.03.2005 and consequently joined their new assignments on 02.04.2005, the amended rules were not incorporated. Admittedly, the amendment to the General Provident Fund (Orissa) Rules, 1938 was introduced by notification dated 31.08.2007 and the amendment to the Orissa Civil Service (Pension) Rules, 1992 by incorporating sub-rule (4) after sub-rule (3) in Rule 3 was brought into by notification dated 17.09.2005. It is, therefore, an admitted case that the petitioners by the dates when the amendments were brought into the rules by notifications, were continuing in their services. It is, therefore, to be examined as to whether the amendments brought into the above rules can be made applicable from an earlier date or retrospectively i.e. from 01.01.2005. The further question to be dealt with is as to whether the opposite parties – State by allowing some of its employees to be governed by the Old Pension Rules have discriminated the petitioners thereby violating Articles 14 and 16 of the Constitution."

"10. In the Constitution Bench, decision in the case of Chairman, Railway Board and others V/s C.R. Randadhamaiah and others, AIR 1997 SC 3828, the Hon'ble Supreme Court was considering the amendment brought into Rule 2544 of the Indian Railway Establishment Court, Vol. II (Fifth Reprint) which was given retrospective effect. The said rule was amended by Notification No. G.S.R. 1143 (E) with effect from 01.01.1973 and by Notification No. G.S.R. 1144 (E), the amendment was made w.e.f. 01.04.1979. The Hon'ble Supreme Court, in Paragraph 20 of the said judgement held as follow:

"20. It can, therefore, be said that a rule which operates in future so as to govern future rights of those already in service cannot be assailed on the ground of retrospectivity as being violative of Article 14 and 16 of the Constitution, but a rule which seeks to reverse from an anterior date a benefit which has been granted or

availed, e.g., promotion or pay scale, can be assailed as being violative of Article 14 and 16 of the Constitution to the extent it operates retrospectively.”

Again in Paragraph 24 of the said judgement in the case of Chairman, Railway Board and others (supra), it was held that:

“24. In many of these decisions the expressions “vested rights” or “accrued rights” have been used while striking down the impugned provisions which had been given retrospective operation so as to have an adverse effect in the matter of promotion, seniority, substantive appointment, etc. of the employees. The said expressions have been used in the context of a right following under the relevant rule which was sought to be altered with effect from an anterior date and thereby taking away the benefits available under the rule in force at that time. It has been held that such an amendment having retrospective operations which has the effect of taking away a benefit already available to the employee under the existing rule is arbitrary, discriminatory and violative of the rights guaranteed under of Article 14 and 16 of the Constitution. We are unable to hold that these decisions are not in consonance with the decisions in Roshan Lal Tandon (AIR 1967 SC 1889) (supra), B.S. Yadav (AIR 1981 SC 561) (supra) and Raman Lal Keshav Lal Soni (AIR 1984 SC 161) (supra).”

“11. Ultimately, it was held by the apex court that the impugned amendments in so far as they have been given retrospective operations are violative of the rights guaranteed under Article 14 and 16 of the Constitution on the ground that they are unreasonable and arbitrary since the said amendments have the effect of reducing the amount of pension that has become payable to the employees, who had already retired from service on the date of issuance of the notifications as per the provisions contained in Rule 2544 that were in force at the time of their retirement.”

“12. The aforesaid Constitution Bench decision, therefore, has emphasized with regard to the right of an employee, which has accrued in his favour on the date he retired and such right cannot be taken away by amending the rules retrospectively prior to his retirement.”

“13. In the case of State of Madhya Pradesh and others V/s Yogendra Shrivastave, (2010) 12 SCC 538, the Hon’ble Supreme Court was considering the amendment brought to Madhya Pradesh Employees’ State Insurance Service (Gazetted) Recruitment Rules, 1981 by Notification dated 20.05.2003 giving it a retrospective effect from 14.10.1982. By the said amendment, the earlier provision in the rule prescribing payment of None Practising Allowance @ 25% of pay was amended to the effect that “NPA at such rates as may be fixed by the State Government from time to time by the orders issued in this behalf in place of words “NPA @25% of the pay” wherever they occurred in the rules.”

“14. On considering the said question, the Hon’ble Supreme Court, in paragraph – 15 of the said judgement in the case of State of Madhya Pradesh (supra) held as follow:

“15. It is no doubt true that rules made under Article 309 can be made so as to operate with retrospective effect. But it is well settled that rights and benefits which have already been earned or acquired under the existing rules cannot be taken away by amending the rules with retrospective effect. (See N.C. Singhal V/s Armed Forces Medical Services, K.C. Arora V/s State of Haryana and T.R. Kapur V/s State of Haryana). Therefore, it has to be held that while the amendment, even if it is to be considered as otherwise valid, cannot affect the rights and benefits which had accrued to the employees under the un-amended rules. The right to NPA @ 25% of the pay having accrued to the respondents under the un-amended rules, it follows that respondent employees will be entitled to the non-practising allowance @ 25% of their pay up to 20.05.2003.”

“15. In a large number of cases, the Hon’ble apex court has categorically laid down that the right of an employee, which accrued in his favour on the date of appointment, cannot be taken away by the amending provisions of the rules concerning the service with retrospective effect. An employee, while entering into service, is subjected to the condition of service as on the date, when he joins. Any right given to such employee under the provision of any act or rules governing the employment, if taken away by amending such rules with retrospective effect, the same would amount to violating the rules under Article 14 and 16 of the Constitution.”

“16. In the case at hand, as already stated above, all the petitioners joined in their due assignment on 02.04.2005 by which date, the amended rules did not exist. The said amended rules, which were introduced by notification dated 31.08.2007 and 17.09.2005, there could not have been given retrospective effect by stating that they will come into operation from 01.01.2005, which is prior to the date, when the petitioners joined in their new assignments.”

“17. We are, therefore, of the considered view that the said amendments brought to the General Provident Fund (Orissa) Rules, 1938 and the Orissa Civil Service (Pension) Rules, 1992 will not apply to the petitioner, who will be governed by the said rules as it existed on the date of their joining in service.”

“We also find that the opposite parties - State has discriminated the petitioners by allowing the benefits under the old Pension Rules and General Provident Fund (Orissa) Rules in the case of 13 regularly recruited OES officers, though they have been appointed on 14.02.2005 and joined the Government much after 01.01.2005. The said action on the part of the State also amounts to discrimination violating Article 14 and 16 of the Constitution.”

6. Thus in the light of the aforesaid judgements, the first party Kandla Port Trust by introducing New Pension Scheme and making it applicable to those employees who were appointed and regularised prior to 01.01.2004, will vary the service conditions of the employees with retrospective effect who were appointed prior to 01.01.2004 and therefore, is against the settled law. Thus the reference is liable to be allowed with a clear finding that the action of the Chairman, Kandla Port Trust, P.O. Box No. 50, Gandhidham, Kutch in introducing the New Pension Scheme to their workmen S/Shri NileshSachede, Umesh Dave, Ashok Bhatia, Smt. Darshana Joshi, Mahesh Makhijani and Shri RatilalChoudhary is not legal and justified and any order made by Kandla Port Trust shall not been given effect.
7. The ex-parte award is passed accordingly.

COMMON AWARD

The present dispute has been raised by 141 workmen challenging their oral retrenchment from service dated 31.3.2011 contrary to the provisions of Sec.25(N) and (O) of the Industrial Disputes Act, 1947 and Rule 76 & 77 of Industrial Disputes Central Rules, 1957 there under and prayed that the oral retrenchment dated 31.3.2011 is to be set aside and to direct the 2nd Respondent to reinstate them into service with full back wages, continuity of service and all attendant benefits with interest @ 18% per annum towards back wages and costs.

2. All the 141 Petitioners have filed their claim petitions separately. But, as the material contentions and counter contentions in all these petitions are common, for the sake of convenience all the cases have been clubbed together by order dated 1.9.2016 and common evidence for all these cases have been recorded in **LC No.1/2013**. The averments in all these 141 petitions as well as in the respective counters filed by the Respondents are one and the same, hence, in order to avoid repetition, the contentions and counter contentions made in the petitions and the respective counters filed in these 141 cases have been taken up together and after hearing from both the sides a common award is passed.

3. **The contentions of the Petitioners made in their respective petitions in brief are as follows:-**

The Petitioners worked as gear boys at Cargo Handling Pvt. Workers Pool (Gear Boys Division) which is under the control of Visakhapatnam Stevedores' Association and they were illegally retrenched from service on 31.3.2011 without following the procedure contemplated under Sec.25-N and Sec.25-O read with rules thereunder. The Nature of duties of the Gear Boys generally are: to issue and collect back gear at the vessel, supply water, fix sea wall nets at sea vessel/wharfs to clean hatch/deck, stitch nets, supply gunnies, attend lashing/unlashing help to carpenters etc.. They worked continuously with unblemished record during their entire service period. It is further stated that nearly 200 workmen were illegally retrenched on the said date orally. No notice was served on them with regard to the alleged termination and no reasons were explained about their termination. It is further averred that the 2nd Respondent obtained signatures of the workmen on various papers and the contents therein were not explained to the workmen. Apart from that the 2nd Respondent obtained signatures of the workmen on white papers and also revenue stamps. The entire action of the Respondents is highly illegal, tantamount to unfair labour practice. The workmen and others prayed so many times for reinstatement and other benefits. But the Respondents used to postpone the same on one pretext or the other. The workmen being aggrieved by the ill-actions of the Respondents had issued legal notice through their advocate on 30.7.2012. The Respondents after receipt of the legal notice gave reply separately to the said notice on 16.3.2012 with the false averments, which was received by the counsel of the workmen on 17.3.2012. The workmen averred that they were not aware about the discussion alleged to have been made with the management and the so called union leaders. The Respondents / management failed to supply the information and documents to the workmen. They have intentionally suppressed the material records which are in their custody which presumed that intentionally they have suppressed the material records, therefore adverse inference is to be taken against them for non-production of the material records for adjudication of the issue. The workmen have called for the documents such as :

- (i) alleged agreement entered by the management and the alleged union,
- (ii) Labour Registration Certificate of both management/Respondents herein,
- (iii) Copy of the records that were maintained by management/Respondents herein with regard to the workman from the date of joining till the date of illegal-termination.
- (iv) Furnish information with regard from both Respondents/ managements herein with regard to the application of Laws for engaging the workman, mode of payments etc., from the date of engagement till the date of illegal-retrenchment.

The Respondents have agreed that the Petitioners are workmen, but inspite of receipt of rejoinder legal notice, the management did not choose either to supply the above documents or to give any reply. Therefore, the workmen were compelled to file the present case claiming the relief mentioned above.

4. Both the Respondents have filed their counter statement separately in all the above 141 cases but as the contentions of both the counters are one and the same, in order to avoid repetition the contentions and counter contentions made in the counters in all the cases are briefly given below:

5. The first Respondent in his counter stated that there is no employee and employer relationship between the workmen and the management. Therefore, these disputes raised by the workmen are liable to be dismissed. The first Respondent further stated that, they established in the year 1959 comprising of all the stevedores pertaining to all Visakhapatnam Port Trust. As part of its activities, the first Respondent association need a separate category of workers to carry the gears from the stores to ships and from ship to the stores and all the operations are manual in

nature. It is further stated that initially each stevedoring company used to maintain few gear boys under its employment and if the said gear boys are not sufficient when the stevedoring company handling more than one ship at a time, it used to borrow some gear boys from other stevedoring companies and under the said arrangement/understanding in between the stevedoring companies they faced lot of problems. In order to avoid those problems of the stevedores the companies formed a pool under the name and style "The Gear Boys Pool" for the purpose of supplying the gear boys to the needy stevedoring company. The first Respondent association in consultation with the stevedoring companies organized a pool of gear boys for the purpose of supplying/making available gear boys as and when required by the individual stevedoring companies. The gear boys were utilized only for the purpose of carrying the gears from the stores to ship and back from ship to stores intermittently. The first Respondent association was only regulating the work of gear boys in coordination with the respective stevedoring companies. In view of the increased mechanization in the methods of stevedoring the scope/necessity/requirement of various categories of labour including gear boys kept reducing. During that period the gear boys participated in a strike pertaining to port workers even though they had no cause/reason to participate in the said strike. But as the intention of the union leaders of the harbour and port workers union in (AITUC), the Respondent association held discussions with another organization, the second Respondent herein requested them to accommodate and provide some work to all the gear boys. Accordingly, on 1.3.2010 all the gear boys were allowed to join the Cargo Pool managed by the Cargo Handling Private Workers Pool. It is also stated that they again called themselves as workmen under the Respondents as defined under the Industrial Disputes Act, 1947. It is further stated that after joining as the gear boys from this Respondent to Cargo Handling Private Workers Pool, the amounts payable under P.F., to all the gear boys was transferred to Cargo Handling Private Workers Pool, for the period worked under the first Respondent. After retrenchment, the second Respondent /Cargo Handling Private Workers Pool settled the entire P.F. amounts to all the gear boys as per their requests through P.F. authorities. Hence, there are no dues payable by this Respondent to the Petitioner herein and also other gear boys either towards gratuity or retrenchment compensation. It is also stated that inspite of best efforts the cargo pool found it difficult to allot the gear boys any work. Consequently, the gear boys were informed that no further work is available for them. The gear boys as members of AITUC requested the first Respondent association to deal with the union leaders. After negotiations with the said union, the Cargo Handling Private Workers Pool agreed to pay the gratuity amount and another amount of Rs.1,25,000/- towards retrenchment compensation to each of the gear boys. The Petitioners applied to the second Respondent under Form-I for payment of gratuity amount. The Petitioners submitted letters separately to the second Respondent wherein they have requested to recover 5% of the amount of gratuity and retrenchment compensation amount and to remit the same to their union(AITUC). Accordingly, the second Respondent Cargo Handling Private Workers Pool paid an amount of Rs. 3,07,392/- towards gratuity and retrenchment compensation after deducting 5% of the amount from the amount paid and the same was paid to the union directly. The above 5% deducted amount was payable to the union as per the request of the Petitioners vide letter dated 1.4.2011. The Petitioners have signed the Debit Voucher dated 19.5.2011, and receipt dated 19.5.2011 for the amount received by them. In addition to the above documents the Petitioners have also given an undertaking letter dated 19.5.2011 stating that they have received the gratuity amount and retrenchment compensation amount in full and final settlement and that no dues receivable from the Cargo Handling Private Workers Pool, Gear Boys Division, Visakhapatnam. It is also stated that the claim of the Petitioners is totally devoid of any merit and there is no violation of Sec.25F and 25 N of the Industrial Disputes Act, 1947, nor there was any illegal termination. The first Respondent has given suitable reply to the legal notice issued by the Petitioners. The Petitioners have received their entire dues payable under Voluntary Retirement Scheme, gratuity and retrenchment compensation. Hence, the Petitioners are not entitled to get any relief as prayed in their petitions.

6. Similarly, the second Respondent in its counter contended that there is no employer employee relationship between the 2nd Respondent and the Petitioners. As such, the Petitioners are not entitled to get any relief in this case and to file the present case. They submitted that on the request made by Visakhapatnam Stevedores' Association, the first Respondent herein, this Respondent permitted the Petitioners to join Cargo Handling Private Workers Pool on 1.3.2010. As it became very difficult to this Respondent to provide work to the Petitioners and the other gear boys in absence of any requisition for works by the member stevedoring companies. Consequently the gear boys were informed that no further work is available for them. It is also submitted that as per the understanding with the union, the Petitioners herein were entitled for the amount towards gratuity and retrenchment compensation and the Respondent paid an amount of Rs.21,45,311/- to the Petitioners union, which was directly transferred to the union i.e., AITUC vide Bank/Cash Fund Voucher dated 27.5.2011 drawn on ING Vysya Bank. The gear boys from first Respondent to this Respondent/Cargo Handling Private Workers Pool, for the period worked in the first Respondent organization, the amounts payable under PF to all the gear boys was transferred from the first Respondent to the Cargo Handling Private Workers Pool. After retrenchment, the second Respondent settled the entire P.F. amounts to all the gear boys as per their requests through P.F. authorities. Hence, there are no dues payable by this Respondent to the Petitioners herein and other gear boys either towards gratuity or retrenchment compensation. The allegation of the Petitioners that they are retrenched from service without following the procedure under Sec.25-N and Sec.25-O read with rules there under, nearly 200 workers were illegally terminated, no notice was served on the workmen with regard

to their alleged termination, no reasons were explained, the second Respondent obtained their signature on various papers and on revenue stamps and the contents were not explained are all false and not correct and not true and are invented by the Petitioners for the purpose of the present case. It is also contended that the Petitioners have received the gratuity and retrenchment compensation, they are not entitled /empowered to file the present case for the reliefs as prayed for. Finally, it is stated that since the Petitioners have received the amounts towards gratuity and retrenchment compensation, they are not entitled to raise the present dispute and to file the present case inspite of the relief prayed therein. Both the Respondents have submitted for dismissal of the claim petitions.

7. Pursuant to the counters filed by both the Respondents, the workmen filed rejoinder denying the allegations made in the counters. In their rejoinder it was stated that the allegations in the counter made by both the Respondents are neither true nor correct, in fact not tenable in the eye of Law and all are invented to deny the legitimate claim of the workmen. The allegations made in the counters of Respondent No.1 and 2 are misconceived, false and contrary to each of the pleadings of the Respondents made in their counters, and Respondent No.1 and 2 are put to strict proof of the same. It is also stated that without going to the merit of the allegation made in the counter, at the outset the counters of Respondent No.1 and 2 can not be received by this Tribunal as it has been filed in gross violation of the mandatory procedure prescribed under Rule 10 (b)(2) and (3) of the Industrial Disputes (Central) Rules, 1957. The workmen further stated that both the Respondents did not spell out regarding the claim made in para 7 of their claim statement, i.e., for providing of the documents which are in the custody of the Respondents. Therefore, in spite of service of legal notice calling upon to furnish the records, the Respondent management did not choose to produce or aver in their counter. Therefore, adverse inference is to be taken against them. The workmen further stated that the allegations made by the Respondents in their counter are contrary to their pleadings, because in one breath they are alleging that there is no employee and employer relationship between the workmen and themselves and in other way again they were alleging that they retrenched the workmen and paid retrenchment compensation and gratuity. The workmen further stated that as per the documents, the retrenchment compensation and gratuity was paid on 19.5.2011, wherein the illegal retrenchment was made on 31.3.2011. Therefore, even according to their allegations made in their counters the alleged amount was not paid to the workmen at the time of retrenchment which is mandatory under the Industrial Disputes Act, 1947. They further contended that it is the admitted fact from the records of the Respondents that they retrenched more than 100 workmen at a time, therefore, the special provisions relating to retrenchment i.e., Sec.25-N chapter 5 B of the Industrial Disputes Act read with Rule 76 of the Industrial Disputes (Central) Rules 1957 shall apply. But in this case the management has violated, the entire mandatory procedure as provided under chapter 5 B of the Industrial Disputes Act, 1947 and hence, the entire action perverse illegal, invalid and bad in law. They further contended that the Respondents and the union colluded with each other for wrongful gain. Therefore, the action of the Respondents was illegal, and liable to be set aside. It is also contended that the workmen were not party to the alleged understanding made between the Respondents and the union. Therefore, the alleged understanding or agreement is not binding on these workmen. Finally, it is stated that the workmen filed one petition under order 12 Rule 8 of the CPC to produce/summon the required documents to the Respondents/management and they did not produce any document before this Tribunal for effective adjudication of the case. The documents are very relevant for the effective adjudication of the issues on hand and due to non-production of the documents, this Tribunal may be pleased to take adverse inference against the Respondents management.

8. As per the pleadings of both the parties, the following points are settled to determine the controversies of the parties:-

- I. Whether employer and employee relationship was existing in between the Respondents and the workmen?
- II. Whether the workmen can raise the present dispute questioning the validity of the retrenchment after receipt of the benefits from the Respondents?
- III. Whether the claim of the workmen waived by virtue of the oral understanding made between the Respondents and the union relating to the retrenchment and the same is binding on the workmen?
- IV. Whether the retrenchment made without following the mandatory procedure contemplated under Sec.25-N and O of the Industrial Disputes Act read with the rules there under is valid under the Law or not? If not, whether the workmen are entitled to reinstatement into service with all benefits as prayed for?
- V. Whether without following the mandatory procedure contemplated under Sec.25-N and O read with the Rules there under is valid while retrenching the workmen or not?
- VI. Without following the mandatory procedure as required under the Law, whether the workmen are entitled to reinstatement into service or entitled to get any other benefits as prayed for?
- VII. To what other relief the workmen are entitled for?

9. In order to prove the claim of the Petitioners each of the workmen were examined as WW1 to WW140 and marked documents Ex.W1 to W15. On the other hand, the Respondents' management have examined three witnesses. One witness is examined on behalf of Respondent No.1 as MW1 and other two witnesses have been examined on behalf of Respondent No.2 as MW2 and MW3. They also got marked some documents as Ex.M1 to M34.

10. I have perused the evidence adduced from the side of both the parties. I have already heard the learned counsels for both the sides in this matter at length.

11. **Point No.I:** Now it is to be seen whether there was any employer and employee relationship existing between the workmen and the Respondents. The counsel for the Respondents contended that there was no employer and employee relationship between the Respondents and the Petitioners. Therefore, the present dispute raised by the Petitioners is liable to be dismissed. On the other hand the counsel for the workmen contended that there was employer and employee relationship existing between the parties. He also contended that the allegation of the Respondents made in their counter are contrary to their own pleadings i.e., in one pretext, the Respondents are alleging that there is no employer and employee relationship between them and the workmen and in other breadth again they were alleging that they retrenched the workmen and paid retrenchment compensation and gratuity. He also drew the attention of the Tribunal showing the averments made in para 10-11 of the counter of Respondent No.1 and contended that as per its averment on 1.3.2010 all the gear boys were not allowed to join in the establishment of the second Respondent. He further contended that after joining in the establishment of 2nd Respondent the amounts payable under P.F. to all the gear boys were transferred to the 2nd Respondent for the period they had worked under the 1st Respondent and settled out the dues i.e., gratuity and retrenchment compensation to the gear boys at the time of retrenchment. The evidence adduced by the Respondents witnesses have also proved the above fact. From the evidence of the Respondents it clearly proves that as because there was employer and employee relationship between the Respondents and the Petitioners/ workmen, the amount deducted from their P.F. was transferred to the 2nd Respondent at the time of their transfer from the establishment of the 1st Respondent and the Respondents have terminated the Petitioner workmen on payment of gratuity and retrenchment compensation. Therefore, it can safely be stated that there is/was employer and employee relationship between the Respondents and the Petitioners/ workmen.

Thus, Point No.I is answered accordingly.

12. **Point No.II:** It is to be seen whether the workmen can raise the present dispute challenging the retrenchment order after receipt of all the benefits from the Respondents. The Learned Counsel appearing on behalf of the Respondents argued that once the amount or retrenchment compensation and gratuity is paid the workmen have no right to question the validity of retrenchment of their service and thereby the workmen stopped to raise such a dispute and on this ground the present dispute is liable to be dismissed. on the other hand, the Learned Counsel appearing on behalf of the Petitioners/workmen argued that the Respondents have to establish that they retrenched the workmen by following the procedure contemplated under the Law as required under Sec.25-N and 25-O of the Industrial Disputes Act and rules there under. But in the present case admittedly no retrenchment order was served on the workmen supporting the reasons as per the procedure contemplated under the law. In this context, he relied on a judgement of the Apex Court decided in the case of Nair Singh Pal Vs. Union of India & Ors. reported in 2000(2) Supreme Court 667. In the said judgement at para 3, their Lordships held that "Encashment of cheque of retrenchment compensation would not be a bar to challenge termination order as illegal and void." In the instant case even if cheque has been encashed and money has been paid to the workmen it can not be stated that the workmen are estopped to challenge the termination order. Therefore, on consideration of the rival contentions of both the sides relying upon the judgement cited above, it can safely be stated that the workmen can raise the present dispute challenging the retrenchment order after receipt of the benefits from the Respondents.

Thus, Point No.II is answered accordingly.

13. **Point No.III:** It is to be considered whether the claim of the workmen waived by virtue of the oral understanding made between the Respondents and the union relating to the retrenchment of the workmen and the same is binding on them. It is seen from the averments of the Respondents made in their counters that there was an oral agreement of the workmen with the union relating to the retrenchment of the workmen. Therefore, the workmen can not question such retrenchment and the said agreement is binding on the workmen as settlement amounts have already been paid to the workmen, and therefore, the claim of the workmen is liable to be dismissed. The Learned Counsel appearing on behalf of the Petitioners/ workmen argued that there is no such understanding or agreement between the union and the workmen and even though the Petitioners have denied such allegation, the Respondents did not prefer to examine any of the union member or the union leader to establish the so called oral understanding or settlement as claimed by the Respondents. He also argued that Law does not permit such an agreement or understanding depriving certain statutory and mandatory proceeding contained under the Law and the same can not be enforceable under Law. In support of such contention he relied on a decision of the Apex Court decided in the case of M/s. Oswal Agro Furane

Ltd., & Another Vs. Oswal Agro Furane Workers Union and others reported in 2005(104) FLR page 992 wherein their Lordships held that it is a public policy i.e., contained in the provisions of Sec.25-O and Sec.25-N and any agreement or settlement between the union and the management depriving certain statutory benefits to the workmen, if not enforceable and it does not amount to waiver. Merely receiving amounts under oral settlement in ignorance of the statutory rights are continued to be protected. In the above decision the provision of Sec.25-N and 25-O contains public policy and therefore, any settlement entered by the parties is not legal and can not prevail over Sec.25-N and 25-O of the Act. Since no evidence is forth coming from the side of the Respondents about the oral agreement made between the workmen and the union it can not be stated that by virtue of such an oral agreement/understanding made between the Respondents and the union relating to the retrenchment, the claim of the workmen is waived and the same is binding to the workmen.

Thus, Point No.III is answered accordingly.

14. **Point Nos.IV to VI:** All these points are taken up together, for convenient discussion as the answers of all the points are interlinked to each other. Before going to decide the above points first of all it is to be seen about the provisions contemplated under Sec.25-N and O read with the rules there under and for the sake of convenience and better understanding the following sections are quoted below for ready reference.

- (3) Where an application has been made under sub-section (1) and the appropriate Government does not communicate the order granting or refusing to grant permission to the employer within a period of sixty days from the date on which such application is made, the permission applied for shall be deemed to have been granted on the expiration of the said period, of sixty days.

In view of the above statutory provisions, burden lies on the Respondents to establish that the Respondents have followed the mandatory procedure while doing retrenchment of the workmen consequent upon closure of the establishment. In this context, the workmen have been examined and reiterated the same contentions as contended in their claim statement and proved the documents to show that without following the mandatory procedure required under law the Respondents have retrenched them. Nothing has been elicited from the mouth of the workmen witnesses to disbelieve their veracity. They have categorically stated that the Respondents have obtained their signature in some blank papers and utilizing their signatures in some blank papers they have managed to retrench them. They have not been retrenched from service following the due procedure of Law. On the other hand the management did not produce any evidence to show that they issued retrenchment notice to the workmen as per the mandatory procedure contemplated under law i.e., under Sec.25-N and O read with rules 75, 76, 77 of the Industrial Disputes (Central) Rules.

Even though the management have examined three witnesses they did not prove that they have followed the procedure contemplated under Sec.25-N and O read with rules 75, 76, 77 of the Industrial Disputes (Central) Rules. From the evidence of the Respondent witnesses like MW1 it is noticed that MW1 in his evidence has admitted that he has no authority to depose in this case. From the evidence of this witness it is further evident that he joined as computer in-charge with the Respondent No.1 on 3.12.1999 and got promotion as Manager in the year 2008. He has qualified MBA. He also deposed that he has not verified the records relevant to this aspect. He further deposed that he does not know whether financial statement of every year and minutes of general body meeting of each year and audited accounts are to be submitted to the registrar of societies every year. He also deposed that he has no knowledge of labour enactments. He stated that unless he verifies the records he can not say what records are maintained by Respondent No.1 in connection with the Petitioners and other workmen. He further stated that wages were paid to the workmen manually for some years. From 1980, subsequently payment of wages was made through bank and while making payment manually they used to deduct P.F. under deduction from the gross wages and used to pay the net wages to the workmen. As per his statement the deductions are to be for P.F. and LIC generally. He admitted that some deduction used to be made while making payment through bank. He also admitted that the Petitioners requested for furnishing certain documents which are mentioned in Ex.W6 and para 7 of their claim statement. He stated that they got nothing to do with Respondent No.2. Therefore, they issued Ex.W9 as reply to Ex.W6 in reply of the first document in Ex.W6. He also admitted that inspite of the documents No.1, 3 and 4 mentioned in Ex.W6 they have stated in Ex.W9 that these are not relevant to the subject matter but no such information is available with them. As such question of adverse inference does not arise in the case of the instant charge sheeted employee. He was unable to say whether Industrial Disputes Act, 1947 and other labour enactments are applicable to Respondent No.1 or not. He was also unable to say the duties of gear boys and also admitted that he has never visited the work spot to verify the same. He further admitted that whatever documents they produced before the court were the documents shown by them to their advocate. He further admitted that he knows that the workmen will be issued with ID cards and gate passes as they have to enter inside the restricted area of the port to do their duties. He stated that Respondent No.1 is shown as the employer. He also added that ID cards were issued by the Port Trust. He admitted that basing on the list of workmen given by them to the Port Trust, ID cards were issued by the Port Trust to the workers in order to enable them to enter inside the Port area to discharge their duties. He stated that Sri K. V. Krishna Kumar is the President of Respondent No.1's association and President of R2 also and earlier Mr. (Late) K.Nageshwar Rao was the Secretary and now Sri A.V. Subba Rao is the Secretary. He is unable to say whether Mr. Nageshwar Rao was the Treasurer and Secretary of Respondent No.2. He admitted that he has signed in some of the documents for Respondent No.2. Again he stated that they sought for his assistance as he can identify the workmen and their services. He further stated that he was acting as the Dy. Manager for gear boys Division of Respondent No.2. He also admitted that he has not filed any document to show that his services are limited to gear boys division of Respondent No.2. He stated that he worked in that capacity from 1.3.2010 till the date of termination of the workmen i.e., on 31.3.2011. He further admitted that Respondent No.1 and Respondent No.2 are different entities and also admitted that while joining as Dy. Manager of Respondent No.2 he has not resigned from Respondent No.1's association. He also admitted that he reported to the Board of Respondent No.2 while joining as the Dy. Manager of Respondent No.2. He was unable to say whether Respondent No.2 got registered under the Societies Registrations Act or not and when Respondent No.2 was established. He admitted that the wages of the workmen will be paid in covers like Ex.W12, and added that while making the payment manually. He admitted that P.F. office will be issuing P.F. slips like Ex.W13(4 leaves). He further admitted that as he was well acquainted with the services of the workmen he was allotted to the establishment of Respondent No.2 at the time of settlement and by that time he had given information to Respondent No.2 like date of joining of each workmen and years of service rendered by them. He further admitted that the information is available in Ex.M19 and also there is no column for date of joining in P.F. in Ex.M19 regarding the length of the service of the workmen and in that list there is no column for date of joining of the workmen in the P.F. and in that list there is a column for date of joining in the P.F. only but not for date of joining in the establishment. He admitted that 220 workmen were retrenched from services on 31.3.2011, due to lack of work. He stated that Ex.M12, M15 bears his signatures and these notices were prepared as per his instructions. He gave the instructions as per the instructions of his management. He admitted that in all these four notices they stated that the workmen were participated in illegal strike and they were directed to join immediately otherwise disciplinary action will be taken against them. He further stated that under Ex.M15 notice the services of the workmen were terminated as they failed to attend to their duties inspite of issue of other three notices. He also admitted that he has not verified the rules and regulations basing on which disciplinary action was taken against the workmen. He admitted that in Ex.M19 they have stated that, "the following (220 list attached gear boys and staff (10 list attached), who were employed by Visakhapatnam Stevedores' Association (PF Establishment Code No AP/20218) are hereby transferred to Cargo Handling Private Workers Pool (PF Establishment Code No AP/24996) with effect from 01.03.2010." He admitted that they have not issued any written notice either to the union or to the workman individually regarding transfer of the workmen to Respondent No.2. He again stated that after the strike issue the union interfered in the matter and during the discussions to do something for the workmen these transfers were effected. He also admitted that the resolution dated 26.2.2010 annexed

to Ex.M19 does not contain the reason for transfer of the workmen to Respondent No.2. He stated that the union has not given any representation requesting them to reinstate the workmen into service. He admitted that they made an oral discussion with them only. He further admitted that as per the resolution all the workmen were their employees upto 28.2.2010 and thereafter they were the workmen of Respondent No.2. He stated that unless he verifies from the office he can not say, whether there was any correspondence between R1 and R2 regarding transfer of the workmen from R1 to R2. He is unable to say whether any records other than the records produced by them before the court are available in their office or not in connection with these petitions. He has no knowledge whether the procedure required under Law has been followed while retrenching the workmen who are more than 100. He admitted that some of the workmen who were retrenched were working there since 1980 and also added that they will be 30 to 40 only. He admitted that he is deposing only on the basis of the records, but not personally. He further admitted that he has signed in the capacity of Dy. Manager of R2 in the bank/cash fund voucher dated 19.5.2011 annexed to that letter. He is unable to say on which document and on how many documents they obtained the signatures of the workmen, and also unable to say who prepared all the documents of Ex.M1 to M5. He was unable to say whether on similar set of documents signatures were obtained from each and every one of the workmen or not. He is also unable to say the basis of payment of the gratuity and retrenchment compensation. He admitted that he has no knowledge about the documents under Ex.M1 to M5. He is unable to say where, when and during what length of period, the signatures of the workmen were taken on those documents. He admitted that 5% of gratuity and retrenchment compensation was deducted and paid to the union by Respondent No.2. He is unable to say whether any part of the gratuity can be deducted on any count under Law. He denied the suggestion of the Petitioners that Respondent No.1 has purposefully created the documents and R1 and R2 and the union colluded with each other and illegally retrenched the services of the workmen. He is unable to say why such discrepancy took place as the transaction pertains to R2. He admitted that R2 paid Rs.21,42,311/- under Cheque No.357531 dated 25.5.2011 to the union as the amount recovered from the gratuity and retrenchment compensation of 160 gear boys/workmen. But he admitted that he has not verified any of the records pertaining to R2 and unable to say whether Sri Krishna Kumar, the President of R1 will be examined in this case as witness or not. He admitted that he knows all the facts related to this case personally. He further admitted that he has not been issued with any authorization letter or authority to depose or obtained board resolution to depose as witness on behalf of R1 in the cases. He is unable to say whether he is competent to depose as a witness in this case or not, as he has not been authorized to do so. He is also unable to say whether permission of the government is to be obtained, and three months notice is to be issued for retrenchment of 100 or more workmen as per Sec.25 F or 25 N of the Industrial Disputes Act, 1947. He is unable to say under which provision of law the retrenchment of the workmen took place. He denied the suggestion of the Petitioners that R1 is in possession of all the documents in his place and purposefully suppressing the same and also denied that he is deposing falsehood in order to avoid a meeting of the claim of the workmen. He is unable to say whether notice of retrenchment was sent to the labour office or not. Similarly, MW2 and MW3 did not state anything about the procedure followed by the management regarding the retrenchment of the workmen and the procedure followed by them as required under law for such retrenchment.

15. The Learned Counsel appearing on behalf of the workmen contended that the Respondents have retrenched the workmen illegally without serving any notice on them as per the mandatory procedure contemplated under Law i.e., under Sec.25-N and 25-O read with rules 75,76 and 77 of the Industrial Disputes (Central) rules. The Respondents have colluded with the union, prepared some documents and ultimately retrenched the workmen from their service. The Respondents have paid 5% of the settlement amount to the union and being colluded with the union they have retrenched the workmen without the knowledge of the workmen. The Respondents prepared the documents obtaining the signatures of the workmen and made payment of the amount. As per the own admission of the Respondents' witnesses, the workmen were retrenched on 31.3.2011 and the retrenchment compensation was paid to them on 19.5.2011. It is not known why the retrenchment compensation was not paid to the workmen on the date of their retrenchment. This shows that the workmen have no knowledge about receipt of the compensation amount and the date of their retrenchment. He also contended that no retrenchment notice was served either to the Government or to the workmen prior to retrenchment of the workmen. The Respondents have not followed the mandatory provisions as required under the Law before retrenchment of the workmen. In support of his contentions he relied on the decision reported in "2006 SCC 5729 –decided in the case of Uttaranchal Forest Development Vs. Jabar Singh and others – wherein their Lordships held that, "wherein the retrenchment was made without complying with the provisions of Sec.25(N) of Industrial Disputes Act, the retrenchment order void and accordingly the said order of retrenchment was quashed. The Hon'ble Court further directed that the Petitioners shall be put back on duty and shall be paid salary/wages." He also relied on another decision of the Apex Court reported in 2005(3) SC 24 decided in the case of M/s. Oswal Agro Furance Ltd., Vs. Oswal Agro furnace workers Union, wherein their Lordships held that, "Industrial Disputes Act, 1947, Section 25N, 25O, 25J and 18(3) and Contract Act Section 23 –closure of private company – retrenchment on account of closures' – settlement prior notice and approval of Government is mandatory. Any closure and retrenchment based on settlement in contravention to the provisions of section 25N and 25 O of the Industrial Disputes Act, 1947 would be contrary to the public policy contained therein and would be void. The provisions of section 25N and 25 O will prevail upon any such settlement. Any contract contrary to the mandatory statutory

provisions and opposed to such public policy would be void despite being valid and of binding nature under Section 18(3) of the Industrial Disputes Act, 1947. He contended that in view of the above decision any settlement made in contravention of the provisions of Sec.25N and 25 O of the Industrial Disputes Act, 1947 is contrary to the public policy also and is liable to be set aside, and it is to be declared as void. In the instant case the Respondents have not followed the mandatory provisions as required under Sec.25-N and 25-O of the Industrial Disputes Act, 1947 and such settlement of retrenchment of the workmen is void. He also relied on another decision decided in the case of Bhushanlal Sarma Vs. Presiding Officer, Labour Court reported in 1993 (3) LLJ at page 730.. wherein their Lordships held that the impugned order challenged by the Petitioners mainly on the ground first that before making retrenchment no permission of the Government was obtained as envisaged under subsection (2) and clause (c) of subsection 25N of the Industrial Disputes Act, 1947 and secondly the Petitioner were not given compensation/wages for the period of notice nor any notice for the period as provided under the provisions under Section 25N, held that the retrenchment is vitiated on account of the procedure irregularities.” As per his contention, since the procedure under Sec. 25-N and 25-O of the Industrial Disputes Act, 1947 have not been followed, the order of retrenchment of the workman is liable to be vitiated.

16. He further contended that even if the workmen have encashed the cheque of retrenchment benefit it is not barred to challenge the termination order as illegal and void. He relied on the decision of the Apex court reported in the case of Nair Singh Pal Vs. Union of India and others reported in 2000(2) Supreme Court page 667.. wherein their Lordships held that, “encashment of cheque of retrenchment compensation would not be a bar to challenge the termination order as illegal and void.” In view of the reasons stated above, in the case at hand even if the cheque of retrenchment compensation is encashed by the workman there is no bar to challenge the termination order as illegal and void, as without following the mandatory procedure contemplated under law, it has not been done by the Respondents.

17. On hearing the rival contentions of both the sides and on perusal of the evidence adduced by both the sides it is noticed that rightly or wrongly the workmen have received the retrenchment compensation along with the gratuity amount from the Respondents who have also deducted 5% of the amount from the total amount paid to the workmen and the management have directly paid the above amount to the union. The Respondents have clearly admitted that they have not issued any retrenchment notice either to the Government or to the workmen before their retrenchment following the mandatory procedure contemplated under the Law, i.e., under Sec.25-N and Sec.25-O read with rules 75, 76, and 77 of the Industrial Disputes (Central) Rules. Even though the workmen have asked the management for production of documents before hearing of the case, the Respondents failed to produce the required documents. No document is produced from the side of the Respondents to show how they have paid the 5% of the amount of the workmen to the union as per their consent, when the workmen are vehemently objecting it. Non-service of retrenchment notice as required under Sec. 25N and 25 O of the Industrial Disputes Act, 1947 read with rules 75, 76 and 77 of Industrial Disputes (Central) rules clearly shows that it is nothing but a clear violation of the mandatory provisions of Law, and the Respondents have retrenched the workmen violating such mandatory provisions of Law. The admission of the management witness about taking the signatures of the workmen in some papers before payment of retrenchment compensation also clearly proves that the Respondents have adopted illegal practice to retrench the workmen from service without their consent and the same is liable to be vitiated and the alleged retrenchment is not valid and legal.

18. As the Respondents have retrenched the workmen without following the mandatory provisions contemplated under Sec.25-N and 25-O of the Industrial Disputes Act, 1947 read with rules 75, 76 and 77 of Industrial Disputes

(Central) rules the order of retrenchment passed by the Respondents is not valid and legal. Now it is to be seen, what relief the workmen are entitled to get. Since the workmen have not been retrenched as per Law, they are liable to be reinstated in service.

Thus, these point Nos. IV, V and VI are answered accordingly.

19. **Point No. VII:** The Learned Counsel appearing on behalf of the Respondents contended that due to closure of the division, the Cargo Handling Workers Pool(Gear Boys Division) relieved from service on 2.4.2011 and received the compensation amount towards full and final settlement against gratuity and retrenchment compensation on 19.5.2011 and they have also given an undertaking letter to that effect stating that they have no dues receivable from the Cargo Handling Workers Pool(Gear Boys Division), Visakhapatnam and also have assured that they will not claim any further amount from the Cargo Handling Workers Pool(Gear Boys Division) and they made the declaration by themselves without any compulsion, and after taking the amount and giving the undertaking the matter has been closed. But being ill-advised, again they have initiated such a litigation and as such the workmen are not entitled to get any relief and the claims of the workmen are liable to be dismissed.

20. On the other hand, the Learned Counsel appearing on behalf of the workmen contended that the workmen have been retrenched illegally and are entitled to be reinstated into service and to get all their back wages with interest.

21. In view of the findings given in Points No.IV, V & VI, it has already been held that the order of termination of the workmen dated 31.3.2011 is illegal and violative of the mandatory provisions of Law and is liable to be set aside and the workmen are entitled to be reinstated into service with continuity of service and 50% of back wages, adjusting the amount already paid to them earlier, along with all attendant benefits at the rate of 6% interest per annum towards back wages without costs.

Thus, Point No.VII is answered accordingly.

ORDER

In view of the above discussion made in Point Nos. I to VII, the order dated 31.3.2011 retrenching the workmen is hereby set aside. The workmen (as mentioned in the cause title) are entitled to be reinstated into service with continuity of service and get 50% of back wages, adjusting the amount already paid to them earlier, along with all attendant benefits at the rate of 6% interest per annum towards back wages, but no costs.

Award is passed accordingly. Transmit.
